

**MOUNTNESSING PARISH COUNCIL**  
**Retention of Documents and Records Management**  
**Adopted: June 2018**

Mountnessing Parish Council recognises that the efficient management of its records is necessary to comply with its legal and regulatory obligations and to contribute to the effective overall management of the Parish Council. This document provides the policy framework through which this effective management can be achieved and audited.

**Scope of the policy**

This policy applies to all records created, received or maintained by the Parish council in the course of carrying out its functions. Records are defined as all those documents which facilitate the business carried out by the Parish Council and which are thereafter retained to provide evidence of its transactions or activities. These records may be created. Received or maintained in hard copy or electronically. A small percentage of the Parish Council's records may be selected for permanent preservation as part of the Council's archives and for historical research.

**Responsibilities**

The Parish Council has a corporate responsibility to maintain its records and record management system in accordance with the regulatory environment. The person with overall responsibility for this policy is the Parish Clerk. The person responsible for records management will give guidance for good records management practice and will promote compliance with this policy so that information will be retrieved easily, appropriately and in a reasonable time. Individual staff and employees must ensure that records for which they are responsible are accurate, maintained and disposed of in accordance with the Parish Councils records management guidelines.

The retention schedule lays down the length of time which the record needs to be retained and the action which should be taken when it is of no further administrative use. Members of staff are expected to manage their current record keeping systems using the retention schedule and to take account of the different kinds of retention periods when they are creating new record keeping systems.

**Record Management Table**

<b>Document</b>	<b>Minimum Retention Period</b>	<b>Reason</b>
Signed Minutes of Council Meetings	No limit	Legal requirement under the Local Government Act 1972, sch 12 para 41
